[illegible]

A cross-sectional view of a multi-layered assembly 20. The assembly consists of a top layer 210, a middle layer 212, and a bottom layer 214. The middle layer 212 contains a series of circular elements 216. The top layer 210 and middle layer 212 are separated by a layer 218. The bottom layer 214 is separated from the middle layer 212 by a layer 216. The assembly is shown with various layers and components labeled with reference numerals.
